New Logos

National ACI launched their new logo at the World of Concrete, January 2014.

Our Kansas Chapter passed a motion to mirror the new national logo in our chapter logo. We'll be revealing our logo soon!

Student FRC Bowling Ball Competition, Kansas City, MO

Our Student ACI Chapters have been very busy this spring with the FRC Bowling Ball competition in Kansas City on February 22, 2014. The University of Missouri Kansas City hosted the competition. Many thanks to Dr. John Kevern at UMKC for coordinating the event while also hosting the Middle and High School Balsa Wood Bridge Competition. Having both events at the same time helped gain exposure!

Competing:

Pittsburg State University (PSU) Team #1 and Team #2
Southern Illinois University, Edwardsville, Illinois (SIUE) Team #1 and Team #2
Missouri Science & Technology, Rolla, Missouri (MS&T) Team #1 and Team #2
University of Missouri, Kansas City, MO (UMKC)

Winning Status:

- 1st PSU #1
- 2nd SIUE #1
- 3rd MS&T #1
- 4th PSU #2

- 5th MS&T #2
- 6th SIUE #2
- 7th UMKC

Way to go! The MO and KS Chapters appreciate the support of our professors and local industry folk along with the participation of our students.

Just One Year Away ACI IN KANSAS CITY! - April 2015

KS ACI member, Larry Taber, P.E., is Co-chairing the ACI Conference Planning Committee with MO ACI member, Mario Brontoli, P.E. The committee has been working behind the scenes for almost a year. They've designed and confirmed our Kansas City logo, securing interesting field trips, speakers, sessions and topics! Mark your calendars because you will not want to miss participating in the event in our own hometown/state. More information will be coming!

Certification Schedule for 2014

[Click Here](#) to be taken to our 2014 Schedule!

Plan now to attend an ACI Convention in 2014

ACI conventions are dedicated to improving the design, construction, maintenance, and repair of concrete structures. Conventions provide a forum for networking and education and the opportunity to provide input on concrete industry codes, specifications, and guides.

ACI International is holding it's spring convention in Reno, NV, March 23-27, 2014. The theme for the convention is "Concrete Endures".

Start planning your involvement now. Check out the registration information at: <http://www.concrete.org/Convention/Spring-Convention/Front.asp>

The theme for the ACI Fall Convention is Spanning the Globe and will be held in Washington DC, October 26-30, 2014. More information can be found [here](#).

And if these aren't close enough...

Coming to Kansas City, Spring 2015

ACI is hosting the Spring 2015 Convention right here in our backyard! The Theme is Fountains of Concrete Knowledge!

Join co-chairs, Larry Taber, KS ACI and Mario Brontoli, MO ACI, in planning the honorable event. There is still plenty to do between now and then.

Contact Larry Taber, TaberLH@bv.com to volunteer your time and ideas.

Thank you to our Newsletter Sponsors. We appreciate your support!
