

EXAM INSTRUCTIONS FOR CONCRETE MATERIALS

The KS Chapter ACI greatly appreciates Concrete Materials for the use of their facility in Spring Hill, KS (20175 West 183rd St.) for the purposes of conducting ACI Certification programs. Please remember that the exam will be conducted during normal business hours and use caution when entering and leaving the property. Be mindful of equipment traffic at all times and obey posted signs.

The exam will be conducted in the building directly East of the ready-mix plant. Examinees should park in the designated areas to the North and East of the building and follow the arrows as shown to the written exam location.

To avoid traffic disruptions, **DO NOT** park on the West side of the building where the entrance to the exam is located.

Exam start times are staggered. If you arrive early, please remember that the group before you may still be completing their written exam and refrain from making any noise while the test is being conducted.
