

EXAM INSTRUCTIONS FOR GEIGER READY MIX

The Kansas Chapter ACI greatly appreciates Geiger Ready Mix for the use of their facility in Olathe, KS (875 E Highway 56) for the purposes of conducting ACI Certification programs. Please remember that the exam will be conducted during normal business hours and use caution when entering and leaving the property. Be mindful of equipment traffic at all times and obey posted signs.

Examinees should park in the designated area and follow the arrows as shown to the outside stairway on the NE corner of the maintenance facility. Proceed up the stairs to the training room where the written examination will be conducted.

During the COVID-19 pandemic

We ask that you remain in your vehicle until 5 minutes before your designated written exam time. You will receive instructions on-site on how to proceed with your performance exam.
